**FISCAL YEAR 2009-10 BUDGET ADJUSTMENT
(ALL DISTRICTS)
(4 VOTES)**

SUBJECT

Request approval of a Fiscal Year 2009-10 Budget Adjustment for the Department of Health Services.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the one-time use of additional Measure B Special Tax Fund (Measure B) reserves of \$9.0 million for Fiscal Year (FY) 2009-10 for emergency and trauma care provided by the Department of Health Services (DHS) hospitals.
2. Approve the attached DHS FY 2009-10 Budget Adjustment (BA) (Attachment I) to reallocate and adjust the appropriation and revenue, including the one-time Measure B reserves of \$9.0 million as indicated above.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Your Board's approval of these recommendations will assist DHS in having sufficient Services and Supplies (S&S) appropriation to meet its financial obligations as the Department approaches the fiscal year-end by: 1) authorizing the use of one-time Measure B reserves of \$9.0 million to partially offset uncompensated emergency and trauma care; and 2) reallocating and adjusting appropriations within DHS based on the Department's FY 2009-10 experience to date.

DHS' Fiscal Outlook presented to your Board on April 6, 2010 indicated a FY 2009-10 projected deficit of \$200.0 million. Two of the potential solutions presented to your Board in the DHS Fiscal Outlook to reduce the FY 2009-10 deficit are the Hospital Provider Fee, and the use of one-time Measure B reserves. At this time, the Centers for Medicare and Medicaid Services' (CMS) approval of the Hospital Provider Fee is still pending. In the interim, while the Department awaits the outcome for the Hospital Provider Fee, there is a current need to realign existing appropriation as DHS approaches fiscal year-end closing.

DHS' FY 2009-10 Final Budget included a deficit reduction placeholder of \$95.6 million in S&S appropriation that reduced the amount of S&S funding for operations. In addition, difficulties in filling critical patient care positions have resulted in higher utilization of registries and physician specialties (both of which are budgeted in S&S) in order to cover critical service needs.

The reallocation of appropriation is primarily to transfer available Salaries & Employee Benefits funding to S&S. In addition, available Other Charges and Fixed Assets funding, due to lower than anticipated expenditures, will also be realigned to S&S.

Implementation of Strategic Plan Goals

The recommended actions support Goal 4, Health and Mental Health, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

The recommendations approve the use of one-time Measure B reserves in the amount of \$9.0 million and reallocates \$174.8 million within DHS' budget units to reflect current financial experience for FY 2009-10. There is no increase in net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Not applicable.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of these actions allows DHS to continue its current operations.
